

Dear Lord Carnarvon,

I'm writing to you about the one and only Tutankhamun. If you are wondering who I am, I am a British egyptologist and I am going to be asking you to help me find the undiscovered old pharaoh Tutankhamun. Wouldn't you want to be richer than your wildest dreams.

I need money to help me to find lots more helpers and you can be my top helper if you want. Don't to find thousands and thousands of artefacts. I will also use the money to get some tools. Well maybe a lot of tool!

Secondly I have heard that a lot of people have said that Tutankhamun's tomb has a lot of gold and money. It has lots of valuable items. I have a fact about Tutankhamun to. He was the last pharaoh in his family and he's been beried for over 3000 years as well.

Lastly, there has been a huge gap in the research of Tutankhamun . We could be the first people to find the one and only Tutankhamun With our discovery we will go down in history.

I hope you agree with me that you will fund me a bit of money and thank you.

Yours

Faithfully

Howard Carter
