

Farnsfield St Michael's CofE Primary School Newsletter

28th April 2023

The children are really immersing in their 'Explore' topics this term. They are working on their 'Big Questions' to try and spark their thoughts and ideas and provoke imagination. The questions they are working on this term are:

Foundation Stage: What if we all helped each other?
KS1: What if our world was turned upside down?
LKS2: What if small actions could change the world?
UKS2: Our community: what if we explore it?

The Foundation children had a visit from the local Fire Fighters this week and got to see the fire engine and find out more about how they help us, linked to their topic. They thoroughly enjoyed being able to get close to the engine and even hold the fire hose!! Maybe it has sparked imaginations and career aspirations and we have some future fire fighters amongst this crew!

Next week we will be busy thinking about the King's Coronation and celebrating this momentous occasion in school. We will hold a special Coronation Collective Worship for the children on Thursday and then the celebration activities will take place in school on Friday. Please see the next page for more details and information.

For now, enjoy the May Day long bank holiday weekend. I hope the sun shines and you have an enjoyable time.

Best wishes,

Louise Carpenter

Crown Making Competition

In celebration of the King's Coronation, on Friday 5th May as part of our Coronation Day, we are having a crown competition! If your child would like to get involved, they will need to design and make a crown fit for a King/Queen. You are welcome to use the template (attached) for this, or you can come up with your own design.

This is an optional competition and class entries will be judged on Friday 5th May. Prizes will be given out for the best-presented/most regal crowns.

Best of luck!
