Weekly Briefing

More trips and visits have taken place this week with upper key stage 2 enjoying their visit to Brackenhurst to support their learning in science.

Our eco-group have been out and about picking litter to care for our community. This has been linked to the 'Don't Trash Our Future' Campaign we have been a part of.

For more information and pictures of both visits and much more, please continue to read on.

Happy half term holidays! Enjoy the sunshine ☀️

Best wishes, Louise Carpenter

Put this date in your diary as
there will be plenty of stalls,
refreshments, bouncy castle,
BBQ and much more for you
all to come and enjoy.

THANK YOU

Thank you to all who came
to the PSA meeting in school
yesterday. It was great to
see some new faces along
with those dedicated
stalwarts. Many hands make
light work, as they say, and
we are really looking forward
to being able to continue to
host exciting events for the
children and school
community.

Don't Trash Our Future

This week we have been thinking about taking care of God's creation and looking after our environment. We started off the week with our Monday worship thinking about how we can be care-taker's, earth-tamers, gardeners, responsible rulers and guests on Earth.

I asked the children to think about what they can do to help care for Creation. Lots of children have been thinking about this and knowing they can do little things to make a big difference.

Chloe has shown how well she has cared for the environment by being awarded her Green Blue Peter badge. Well done, Chloe, we are lucky to have such remarkable ambassadors in our school.

Our own school ambassadors, Eco-group, have then been out and about in the local community to undertake a litter-pick. This is to help our local environment but also to remind people not to trash our future. We visited the park at Parfitt's along with the skatepark and made a great start at tidying up what others had sadly left behind. We have been sharing how important this is and what we have done so we do hope that others may also follow our lead and pick up their litter. Fliss, our school dog, even got involved!

Upper KS2 Trip to Brackenhurst

To support their learning in science this term, the children in Year 5 and 6 have visited NTU Brackenhurst campus this week. They had a fabulous day experiencing what it is like to be a university student, attending lectures on animals in the lecture theatre and then having a tour of the campus to find out more about animals and living things. Thank you so much to one of our parents, Dr Kelly Yarnell, for enabling this visit to happen and sharing her knowledge and insight with the children.

Here are a few more photos of the day:

Southwell City FC

We are looking for girls currently in Year 3 to join our Under 9 girls' team for the 2023/24 Football Season when we go to 7 a side!

Last season was the first time Southwell have had a team for the Under 8s girls and the way the girls developed over the season was fantastic!

Football training starts Monday 5th June at War Memorial Recreation Ground, Bishop's Drive, Southwell, NG25 0JP. Pitch is the 9 v 9 pitch on the far side of the ground (furthest pitch from the tennis courts).

Start of training 1800 finishing at 1900.

For more information about the team and how to be involved with an inclusive club that has a fun and safe environment please contact Adam Snowden (Coach for Under 8 Girls) on 07793970870 or snowden_adam@hotmail.co.uk
