Weekly Briefing

Well, I cannot believe we only have 2 week's left of the school year! I did my final Rainbow Worship of the year this morning (there will be one more next week, but I am away with Y6) and it is such a privilege to be able to award our children with their certificates and see how much they have grown and progressed throughout the year. It is always a time to reflect on the year that has passed, and I feel very honoured to be a part of the school and all it offers. We are very lucky to have such wonderful children and families we serve, and to work with a phenomenal and dedicated staff team.

I also feel very privileged that our school has such a committed PSA committee. They had their AGM yesterday and Lisa Hodgkiss stepped down as the Chair. I know you will all join me in thanking Lisa for her time and dedication over the years in this role and all she has brought to the children and the school from the hard work her and her team have put in. She has shown 100% commitment and has made so many events happen that our children have enjoyed. Thank you, Lisa, for all you have done.

I welcome Gary Olliffe as the new Chair, and I know he has many fabulous ideas to continue to move the PSA forward over the coming weeks and year. Gary is already working alongside our school council to make sure what the PSA fund is what the children feel is required. Thank you though to the whole team and all of those who help at events, share ideas, donate items and prizes and much more, as it couldn't happen without everyone's team effort.

This year the PSA have raised a magnificent £4406.00 for the school. They have used this to fund many curriculum resources to benefit children across the school, fund the leavers jackets for Y6, pay for the Pantomime to visit school, ice-pops for all children on sports day, and have committed £50.00 to each class to purchase new wet play games for the Autumn term. They will also be funding a treat for the winning house with the most house points at the end of term. We are so very lucky to have all these additions which we couldn't afford out of the tight school budget we have to work with.

Have a great weekend everyone and thank you for your continued support of all we do here at St Michael's.

Best wishes,

Louise Carpenter

Sports Day Results

You may have heard from the children, but the Sports Day results are in...

- Willow - 5026
- Sycamore - 5175
- Oak - 5260
- Horse Chestnut - 5306

Well done Horse Chestnut, it was very close!! Our house captains collected the trophy for their team.

We must also say a huge well done to Class 8 who won the most Rainbow Value points!

Young Leaders 'Listen Up' Conference

Our Eco-group went along to Brackenhurst on Thursday to present at a conference for the Southwell and Nottingham Diocese. They went to make their voices heard and speak up about some important issues that are affecting schools. They have inspired others and been inspired themselves during the day. They were the youngest children there, with lots from secondary schools but it didn't faze them at all, and they have been wonderful ambassadors for the school.

Their day was topped off (as seen in one of these pictures) by meeting Lowri Moore, who is the girl who inspired the character of Mirabel in Encanto who wears glasses!!
