# AGM Update

The PSA held their annual AGM on Thursday 6th July. Lisa, our current Chair welcomed everyone before going through our achievements over the last 12 months. And what a year it has been, with well over £4500 raised.

As mentioned in our last newsletter Lisa has made the difficult decision to step down as Chair. With well over 6 years on the committee and thousands of pounds raised during this time I'm sure you'll agree that it will be a huge loss to the PSA and wider school community. Lisa's resignation was formalised at the AGM with Gary Olliffe taking on the role in the autumn term. With huge shoes to fill we all wish him well in his new role.

The full minutes of the AGM are available on PSA pages of the school website.

## Our Plans for next year

The PSA are already busy planning events for the new academic year.

We'll make sure the well loved Christmas and Summer fairs are scheduled in the calendars for next year, as well as the brilliant school discos (we all know the teachers love a good boogie). However keep your eyes open for some exciting new events that we hope both adults and children will thoroughly enjoy!

# Fundraising Overview

As part of our AGM we looked back at a successful year of fundrasing with multiple events held over the past academic year.

# ATTENTION STUDENTS, PARENTS AND CARERS! WE NEED YOU...

Our school's Parent-School Association (PSA) is seeking enthusiastic volunteers to join our team. The PSA plays a vital role in enhancing the school community and supporting various events and initiatives. If you are passionate about making a difference, fostering a positive educational environment, and engaging with fellow students and parents, we invite you to become a part of our dedicated team.

We currently have the Vice Chair and Events Coordinator position unfilled, if this is something that you're interested in please drop us an email.

Not got the time to commit to a committee role but would still like to offer your support when you can? Why not join as one of our Occasional Volunteers. In this role you'll be classed as an ordinary committee member and added to our PSA WhatsApp group. Here we discuss up and coming events that we're looking to host. Within this forum you'll be able to say whether your free to offer some time to get involved. This could be manning one of our event stalls for an hour or so, helping at a school disco or delivering letters to local business; honestly every little really does help.

If this is something you're interested in or if you would like some further information please feel free to approach one of us in the playground or drop us an email.

On a final note, I would like to wish you all a very relaxing summer break and we look forward to seeing you in September ready for another exciting year at St. Michaels Primary School.
